Description:

Dear The Water Links Project aimed to improve and enhance the water supply system to your New Connection. Through diligent planning and dedicated efforts, the Panchayath has successfully completed the project, ensuring a reliable and sustainable water supply for our residents. We express our gratitude to all the stakeholders, including the Panchayath members, officials, engineers, workers, and community members, who contributed their time, expertise, and resources towards the successful completion of this project. This certificate serves as a testament to the commitment of the Panchayath towards the development and welfare of our community. The Water Links Project will undoubtedly have a positive and long-lasting impact on the lives of our residents. Issued on this 21-06-2023 .
